Consumptive Use Mitigation - Grant Program 2023-2024

Opportunity Information

Title	Consumptive Use Mitigation - Grant Program 2023-2024
Description	The Susquehanna River Basin Commission's Consumptive Use Mitigation Grant Program is intended to fund projects that mitigate consumptive use or otherwise improve drought resilience in the Susquehanna River Basin. For additional details, please refer to the Grant Program Guidelines at https://www.srbc.net/our-work/grants/consumptive-use-mitigation-grant.html .
Awarding Agency Name	Susquehanna River Basin Commission
Agency Contact Phone	717-238-0423 ext. 1017
Agency Contact Email	cugrant@srbc.net
Public Link	

Funding Information

Total Program Funding	\$6,000,000.00
Funding Source Description	The Water Management Fund is used to finance water supply related projects, including the planning, design, and construction of new projects, reformulation of existing reservoirs, or any other project initiated by the Commission to address the cumulative impact of consumptive use or otherwise support low flow management in the Susquehanna River Basin. This is non-federal/non-state funding.

Award Information

Award Start Date	7/1/2024
Award End Date	6/30/2027
Award Type	Competitive

Submission Information

Submission Timeline Type	One Time
Submission Open Date	
Submission Close Date	

Question Submission Information

Question Submission Open	11/1/2023 8:00 AM
--------------------------	-------------------

Date	
Question Submission Close Date	1/24/2024 4:00 PM
Question Submission Email Address	cugrant@srbc.net
Question Submission Additional Information	The Commission encourages interested entities to start grant applications early and to contact us with any questions using the email address or phone number above. Please note that although we work to answer every question received, we cannot guarantee responses to questions submitted after January 24, 2023.

7 of 10

Preferred Funding Method

Instructions

SRBC will provide grant funds in the form of Reimbursement to those applicants awarded a grant. However, applicants may request that SRBC consider providing Advance Funding for their proposed project. SRBC reserves the right to award a grant using a different funding method than that selected by the applicant. Applicants may decline an offered grant award.

- Applicants may request Advance Funding using the question below.
- To learn more about the available funding methods, please see SRBC's Grant Guidelines and Grant Agreement Template available on our [Consumptive Use Mitigation Grant Program](#) web page.

Would the applicant organization like to request that SRBC consider Advance Funding for the proposed project? *

No

Project Budget By Task

Please complete the table below by listing the project tasks and specifying the grant-funded budget amounts for each task. This table must match the tasks outlined in the project scope of work.

	Task Title	Grant-Funded Budget
Task 01	<input type="text"/>	<input type="text"/>
Task 02	<input type="text"/>	<input type="text"/>
Task 03	<input type="text"/>	<input type="text"/>
Task 04	<input type="text"/>	<input type="text"/>
Task 05	<input type="text"/>	<input type="text"/>
Task 06	<input type="text"/>	<input type="text"/>
Task 07	<input type="text"/>	<input type="text"/>
Task 08	<input type="text"/>	<input type="text"/>
Task 09	<input type="text"/>	<input type="text"/>
Task 10	<input type="text"/>	<input type="text"/>

Is the table above complete for the tasks outlined in the project scope of work? *

Consumptive Use Mitigation - Grant Program 2023-2024 - Forms

Please upload a completed Detailed Project Budget Spreadsheet (required: template available at link below). *

Detailed Project Budget Spreadsheet Template:
